Dear Sir:

In response to the "Notice of Allowability" and "Notice of Allowance and Issue Fee Due" dated October 29, 2007, Applicant is submitting herewith a corrected drawing to include the changes as required by the Examiner. Applicant submits one (1) replacement sheet of drawings for filing in the above-identified U.S. patent application. The only change made on this replacement sheet is that Fig. 20 has been modified to include the reference numeral 118 on the head cap/anchor. An annotated sheet has

not been presented, as it is not believed to be necessary for explanation of the replacement sheet. No new matter is added by this replacement.

Please cancel the drawing sheet showing Fig. 20 that was previously filed in this application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Donald A. Schurr', written over a horizontal line.
